Dear Shareholder,

I am pleased to put before you Delegat's Offer for your shares in Oyster Bay Marlborough Vineyards Limited ("Oyster Bay"). As consideration for each of your shares, Delegat's is offering one share in Delegat's Group Limited or a cash alternative of \$2.08. The terms and conditions of the Offer are set out in the Offer Document and Simplified Disclosure Prospectus which accompanies this letter.

I draw your attention that the independent directors of Oyster Bay have recommended that you accept the Delegat's offer. Their recommendation and their view of the Offer are set out in the Target Company Statement they have produced and which will be forwarded to you under separate cover.

A background to, and the reasons for Delegat's proceeding with, the Offer is set out on page 3 of the Offer Document. The offer has only proceeded after considered discussions between Delegat's and the independent directors of Oyster Bay and their joint conclusion that the best outcome for each company is that Delegat's acquire full ownership of Oyster Bay.

The decision to make the offer followed an approach to Delegat's by the independent directors of Oyster Bay who, as part of their own review of the capital restructuring options available to Oyster Bay, regarded a takeover (subject to its terms) by Delegat's as the best means of addressing Oyster Bay's poor financial health.

Oyster Bay's profitability has been adversely affected by the continuing grape supply imbalance in the industry and the consequent pressure on grape prices to the extent that one of its banking covenants would have been breached but for Oyster Bay's bank granting a waiver until 31 December 2010. Given that grape prices are not expected by Delegat's to improve significantly in the short term, any improvement in Oyster Bay's financial situation is considered unlikely.

Delegat's Offer provides Oyster Bay's shareholders with the choice of receiving cash or shares in Delegat's in exchange for their shares in Oyster Bay. The Directors believe this cash or scrip offer structure has considerable merit, as it gives Oyster Bay's shareholders the opportunity to convert their investment into cash or the choice to continue with an investment in the industry by exchanging their shares for shares in Delegat's.

Delegat's is a growth company and continues to pursue world-wide market opportunities using its model of in-market product representation. Acceptance of the share exchange option also preserves the long standing shareholder relationship that has existed between the two companies since 1999.

We look forward to your favourable consideration and acceptance of the offer.

Yours faithfully

ABOUT DELEGAT'S GROUP

In this section "About Delegat's Group", any reference to "Delegat's" and the "Group" is a reference to Delegat's Group Limited or, as the context requires, the offeror, Delegat's Wine Estate Limited, its wholly-owned subsidiary, or the group of companies in respect of which Delegat's Group Limited is the ultimate parent company but is not intended to include Oyster Bay, which is a subsidiary of Delegat's Wine Estate Limited. This section is intended to assist Oyster Bay shareholders (who are entitled to accept the DGL Share Consideration Option), in considering whether to accept Delegat's Group Limited shares as consideration for their Oyster Bay shares. This commentary should be read in conjunction with the Delegat's Group Limited Simplified Disclosure Prospectus which accompanies the Offer.

INTRODUCTION

Why is Delegat's making the Offer

The decision to make the Offer follows a strategic review by Delegat's of its shareholding in Oyster Bay. This review considered Oyster Bay's financial situation and its strategic importance to Delegat's as a supplier of super premium quality grapes. Oyster Bay supplies the whole of its annual grape production to Delegat's pursuant to long-term supply agreements which represent a significant proportion of Delegat's annual grape requirements.

The strategic review was undertaken in response to an approach from the independent directors of Oyster Bay who, as part of their own review of the capital restructuring options available to Oyster Bay, regarded a takeover (subject to its terms) by Delegat's as the best means of addressing Oyster Bay's financial situation.

As a result of the continuing grape supply imbalance in the industry and the subsequent pressure on grape prices, the profitability of Oyster Bay as a dedicated grape grower has been affected to the extent that a particular banking covenant would have been breached but for Oyster Bay's bankers granting a waiver until 31 December 2010. Given that grape prices are not expected by Delegat's to improve significantly in the short-term, any immediate improvement in Oyster Bay's financial situation is considered unlikely and accordingly, action to remedy Oyster Bay's financial situation must be taken.

DELEGAT'S OFFER

The Offer provides an opportunity for Oyster Bay shareholders to either liquidate their investment in Oyster Bay for cash or to retain their interest in the wine industry by exchanging their shares for shares in Delegat's Group Limited and thereby transform their investment from a single product exposure (grapes) into an investment in a vertically integrated wine business.

DELEGAT'S GROUP LTD

Business and Governance

Delegat's Group Limited is the leading NZSX-listed New Zealand producer of Super-Premium branded wines for the export and domestic markets.

The Group has a sound business model with a clear business strategy, supported by good corporate governance.

Strategy

Delegat's Group Limited is focused on world-class Super-Premium wines from New Zealand's leading wine regions.

The Group's strategy is to lead New Zealand wine category growth and establish Oyster Bay as one of the world's great Super-Premium wine brands. Underpinning the Group's strategy are its key competitive strengths; world-class brands, a powerful global distribution network, assured grape supply and state-of-the-art winemaking facilities.

The Group has established Oyster Bay as a "must stock" brand with leading global distributors and retailers and is focused on delivering strong value growth to further strengthen its market position in key export markets.

Brands – Oyster Bay and Delegat's

As a market-driven, consumer-led wine business, the Group recognises the importance of world-class brands to support its growth strategy.

The Oyster Bay brand continues to lead the growth of the branded New Zealand wine category in its global markets and is increasingly becoming established as one of the world's great Super-Premium wine brands.

The Delegat brand is a well respected Super-Premium brand in the domestic market and part of the pioneering spirit of the New Zealand wine industry.

The Group has invested in tailored marketing activities to build brand awareness among aspirational wine consumers to support the achievement of profitable long-term growth.

ABOUT DELEGAT'S GROUP

Sales Performance

In the year ended 30 June 2010 the Group achieved global sales of 1,950,000 cases, an increase of 12% on the previous year. The Oyster Bay brand continues to lead the growth of the branded New Zealand wine category in global markets and is becoming increasingly established as one of the world's great Super-Premium wine brands.

Marketing and Distribution

The Group's successful distribution model employs in-market sales teams to market and sell the Group's Super-Premium branded wines in global markets.

United Kingdom, Ireland and Europe

The Group's Oyster Bay brand is the leading New Zealand wine brand in the United Kingdom and Ireland. In the 2010 financial year, the Group has achieved sales volume growth of 18% to 957,000 cases in the region. This growth has been achieved with current customers and through increasing distribution in all channels.

Oyster Bay Sauvignon Blanc, Chardonnay, Pinot Noir and Merlot are the top selling wines by value above £6 in their respective varietal categories. Given the prevailing weakness in the Pound Sterling and Euro exchange rates, the Group has increased prices in the United Kingdom, Ireland and Europe region in the current financial year.

Australia, New Zealand and Asia Pacific

The Group's Oyster Bay brand is a leading wine brand in Australia, New Zealand and other key markets in the region including Hong Kong, Singapore and United Arab Emirates. Sales volume in the region declined by 12% to 636,000 cases as both the Australia and New Zealand markets were negatively impacted by deep competitor discounting, an increasing retailer focus on private label wines and inventory de-stocking by wholesalers.

In Australia, Oyster Bay Sauvignon Blanc is the top selling bottled wine by volume and value. Oyster Bay Pinot Noir is the top selling wine by volume and value in its varietal category. During the year, Oyster Bay Chardonnay became the number two selling Chardonnay in Australia by value as consumers increasingly seek out the brand and New Zealand's elegant cool climate wine styles. Oyster Bay Merlot is the top selling wine over A\$15 by value in its varietal category. During the year the Group successfully launched Oyster Bay Sparkling Cuvée Brut and Oyster Bay Sparkling Cuvée Rosé in Australia and New Zealand.

The Group has recently established an in-market sales team to spearhead the growth of the Delegat and Oyster Bay brands in the New Zealand market, which follows the Group's successful model employed in established global markets.

North America

The Group's Oyster Bay brand is leading New Zealand wine category growth in North America. The Group has achieved sales volume growth of 76% to 357,000 cases. The Oyster Bay brand is becoming increasingly established as a leading Super-Premium wine brand in both the United States of America and Canada with significant further growth potential. The year to 30 June 2010 was a very successful first year of operation for the in-market sales team in Canada. Highlights of the year included Oyster Bay Sauvignon Blanc becoming the top selling white wine by value in Alberta and very strong growth in Quebec.

Oyster Bay became the number eight imported wine brand over US\$10 in the United States market. Oyster Bay Sauvignon Blanc is now the top selling Sauvignon Blanc by value in several key States including Massachusetts, New York and Colorado. As the brand becomes increasingly sought after by consumers in the United States of America, Oyster Bay Chardonnay has become the top selling New Zealand wine in its varietal category, while Oyster Bay Pinot Noir and Oyster Bay Merlot have become the second best selling wines in their respective varietal categories.

Viticulture and Grape Supply

Assured supply of quality grapes from New Zealand's pre-eminent wine regions is an essential component of the Group's strategy. The Group controls a substantial area of vineyards within New Zealand's premier wine growing regions, Marlborough and Hawke's Bay. The Group currently owns or leases 1,532 hectares of vineyards and has supply contracts with third party growers from a further 1,113 hectares.

The Group harvested 21,965 tonnes in 2010, which was 10% below the previous vintage and positions the Group well with regard to inventories for the forthcoming year. The harvested grapes include grapes supplied by Oyster Bay. This decline in tonnes is consistent with the total New Zealand wine industry.

The Group has established the "Partners for Prosperity" grower partner programme. This programme manages a network of over 80 growers to ensure the provision of high quality grapes.

ABOUT DELEGAT'S GROUP

All Group owned, leased and grower vineyards are carefully managed through specific viticultural programmes. The Group's viticultural philosophy is to maximise the sustainable yield of the vine for the growing of Super-Premium quality grapes.

Recognition and respect for the environment are reflected in the strong leadership role the Group plays in the practice and promotion of sustainable wine growing and wine production. As a leader in the New Zealand wine industry and as a founding member of Sustainable Winegrowing New Zealand (SWNZ) since 2002, the Group takes its responsibilities to respect and protect the environment very seriously. The Group's vineyards and wineries are 100% accredited by the independently audited SWNZ Sustainability Programme. The Group continues its commitment to its very own 'Global Sustainability Initiative' designed to provide a coordinated approach to sustainable activities across its entire business, including the international markets in which it operates.

Winemaking and Production

The Group's winemaking philosophy is to produce Super-Premium wines from New Zealand's pre-eminent wine regions of Marlborough and Hawke's Bay. The Group consistently produces some of the most sought-after Super-Premium wine styles in the world today.

The Group has developed world-class Super-Premium winemaking facilities in Marlborough, Hawke's Bay and Auckland.

Group winemaking operations are performed to a high standard, supported by high calibre technical staff and state of the art facilities resulting in the ongoing, efficient production of consistently high quality Super-Premium wines.

The 25,000 tonne capacity Marlborough winery is one of New Zealand's largest and most technologically advanced winemaking facilities. The winery has been specifically designed to meet the Group's winemaking requirements in the Marlborough region and is located in close proximity to a number of vineyards that supply the Group. The leased winery in Hawke's Bay is wholly managed and staffed by Deleat's and is designed to process all grapes from that region. It has been specifically designed to Deleat's Super-Premium winemaking specifications and equipped with an extensive barrel cooperage.

The Auckland winery is the Group's production, packaging and global distribution facility and is operating at full

capacity, while additional contract packaging capacity is utilised to meet production requirements.

TERMS AND CONDITIONS OF THE OFFER

Offer by Deleat's Wine Estate Limited ("Deleat's") to acquire all of the shares in Oyster Bay Marlborough Vineyards Limited ("Oyster Bay") that it does not already hold.

This Offer is dated 12 November 2010.

1. The Offer

- 1.1 Deleat's offers to purchase, on the terms and conditions set out in this Offer Document, all of the shares (being all voting securities) of Oyster Bay not already owned by Deleat's. (All such shares are referred to in this Offer as the "Shares" and each of them individually is referred to as a "Share").
- 1.2 The Acceptance Form comprises part of the Offer. A duly completed Acceptance Form may be treated by Deleat's as a valid acceptance of the Offer, subject to the terms and conditions set out in this Offer.
- 1.3 The Offer remains open for acceptance until 5.00 pm (referred to as the "Closing Time") on the 14th day of December 2010 (as may be extended from time to time by Deleat's as permitted by the Takeovers Code). The expiry date of the Offer (as may have been extended from time to time, if at all) is referred to as the "Closing Date".

2. Consideration

- 2.1 The consideration offered to the Oyster Bay Shareholders for their Shares is, at their option, one of the following alternatives:
 - (i) **Option 1.** One (1) fully paid ordinary share in Deleat's Group Limited ("DGL")* for one (1) fully paid ordinary share in Oyster Bay ("the DGL Share Consideration Option"); or
 - (ii) **Option 2.** Cash of NZ\$2.08 for each fully paid ordinary share in Oyster Bay.

If neither option is chosen by an Acceptor, Option 1 – the DGL Share Consideration Option shall be deemed to have been chosen as consideration.

*Information pertaining to the issue of the shares in Deleat's Group Limited are set out in the accompanying registered "Simplified Disclosure Prospectus".

- 2.2 The DGL Share Consideration Option is available to Oyster Bay shareholders only whose address is in New Zealand or Australia. DGL shares cannot be allotted to Oyster Bay shareholders whose address is outside New Zealand or Australia. This is because of the restrictions imposed by overseas regulators on the Offer and allotment of securities into their overseas jurisdictions.

Under the New Zealand Takeovers Code, an offer is required to be made to all shareholders on the same terms. By distinguishing between New Zealand and Australian shareholders on the one hand and all other overseas shareholders on the other hand, the Offer is not compliant with the Code in the absence of an exemption from the Panel. The Panel has approved the granting of an exemption for Deleat's on the terms consistent with its published policy.

That policy requires (and it is a term of the exemption) that an overseas Oyster Bay shareholder who elects the DGL Share Consideration Option will have the shares allotted to a nominee in New Zealand (being a member firm of the New Zealand Exchange) who must sell the shares as soon as practicable after allotment and in a manner consistent with the terms of the Offer and pay the proceeds, net of brokerage, to the Overseas Shareholder.

- 2.3 If the consideration accepted or deemed to be accepted for the Offer:
 - (a) is shares in Deleat's Group Limited, the shares will be allotted (subject to clause 2.2), and advice of the allotment will be sent by ordinary mail to Shareholders whose Shares are taken up under the Offer;
 - (b) is the cash alternative, it will be sent by ordinary mail or paid in cleared funds by electronic transfer to Shareholders whose Shares are taken up under the Offer;

not later than seven days after the latest of:

- (a) the date this Offer becomes unconditional; or
- (b) the date on which an acceptance is received; or
- (c) the end of the initial Offer Period specified in clause 1.3.

As at the date of this Offer, the last day by which such consideration must be sent to persons accepting this Offer is 2 January 2011, but this date may change if the Closing Date is extended, and therefore the latest date Deleat's can declare the Offer to have become unconditional similarly extends.

- 2.4 If the consideration for the Offer is not sent or allotted (as the case may be) within the period specified in clause 2.3 to any Shareholder whose Shares are taken up under the Offer, that holder may withdraw his or her acceptance of the Offer by giving notice in writing to Deleat's, but only after the expiration of seven days

TERMS AND CONDITIONS OF THE OFFER

written notice to Deleat's of the holder's intention to do so. This right to withdraw acceptance of the Offer will not apply if such Shareholder receives the consideration during the seven day period referred to in this clause.

3. Terms of the Offer

3.1 All Shares are to be fully paid up and free from all charges, liens, mortgages, encumbrances and any other adverse interests and claims of any kind, but together with all rights and privileges attaching to them, including the rights to all dividends, bonuses and other payments and distributions of any nature arising after or by reference to a date occurring on or after the Settlement Date.

3.2 Unless this Offer is withdrawn in accordance with the Takeovers Code and every person is released from every obligation incurred under the terms of it, or it lapses in accordance with its terms, this Offer remains open for acceptance until 5.00 pm on the Closing Date.

3.3 In accordance with the Takeovers Code, the latest time by which Deleat's can declare this Offer to have become unconditional must not be later than 14 days after the Closing Date. As at the date of this Offer, the date by which the Offer is to become unconditional is the 27th day of December 2010 but this date may change if the Closing Date specified in clause 1.3 is extended as permitted by the Takeovers Code. Should this Offer not become unconditional, it will lapse and every person will be released from any obligation arising under this Offer, and all Acceptance Forms submitted will be destroyed.

3.4 This Offer is open for acceptance by any person who holds Shares, whether acquired before or after the date of this Offer, upon production of satisfactory evidence of such person's entitlement to those Shares.

3.5 The enclosed Acceptance Form comprises part of this Offer. That Acceptance Form duly completed may be treated by Deleat's as a valid acceptance of this Offer.

3.6 This Offer is also made subject to clauses 4 to 9 of these terms and conditions, and to the Takeovers Code, except to the extent that the terms contained in the Takeovers Code are, where permitted by the Takeovers Code, varied by this Offer Document.

4. How to Accept this Offer

4.1 If you wish to accept this Offer, you need only:

(a) complete the enclosed Acceptance Form in accordance with the instructions printed on its reverse; and

4.2 No acknowledgement of the receipt of acceptances will be issued.

4.3 During the Offer Period Deleat's may choose to engage the services of one or more NZX Trading and Advising Firms authorised to undertake trading on the NZSX to receive Acceptance Forms. If Deleat's chooses to do so, Deleat's will pay such adviser a handling fee in regard to Acceptance Forms bearing the stamp of that adviser of 1% of the value of the transaction with a minimum and maximum handling fee of NZ\$20 and NZ\$100, respectively.

4.4 Deleat's may, in its discretion, treat any form of acceptance as valid notwithstanding that it does not comply with clause 4.1 or is otherwise irregular and may, in its discretion, rectify any errors in, or omissions from, any Acceptance Form including inserting or correcting details of the Shares. Deleat's will determine, in its sole discretion, all questions relating to documents, including the validity, eligibility, time of receipt and effectiveness of any acceptance of the Offer. The determination of Deleat's will be final and binding on all parties.

4.5 Acceptance of this Offer by a Shareholder constitutes a contract between that Shareholder and Deleat's on the terms and subject to the conditions of this Offer. Other than in the circumstances set out in clause 2.4 above, you may not withdraw your acceptance of this Offer during the Offer Period, whether or not there has been any variation to the Offer in accordance with the Takeovers Code.

4.6 Notwithstanding clause 4.5, Deleat's shall be released from its obligations under this Offer, and arising from acceptance of this Offer, if:

(a) this Offer is withdrawn with the consent of the Takeovers Panel; or

TERMS AND CONDITIONS OF THE OFFER

- (b) this Offer lapses as a result of any condition contained in this Offer not being satisfied or waived by the date specified for satisfaction of that condition.

5. Conditions

5.1 This Offer, and any contract arising from it, is conditional upon Delegat's receiving, on or prior to the Closing Date, acceptances in respect of Shares that, when taken together with voting securities already held or controlled by Delegat's, would (once the Offer is declared unconditional and the Shares transferred) confer on it 90% or more of the voting rights in Oyster Bay. This condition may be waived by Delegat's at any time prior to the Closing Time to the intent that it may declare the Offer unconditional at an acceptance level which is less than 90%.

5.2 This Offer, and any contract arising from acceptance of it, is subject during the period from the Takeover Notice Date until the date the Offer is declared unconditional by Delegat's, to the following conditions:

- (i) no dividends, bonuses or other distributions of any kind whatsoever are declared, paid or made upon, or in respect of, the capital of Oyster Bay or its subsidiaries, if any, other than wholly owned subsidiaries;
- (ii) none of the Shares are subdivided, consolidated, bought back or cancelled, no further share capital, options or other securities or loan capital of Oyster Bay or its subsidiaries, if any, are issued or made the subject of any option or agreement to issue, and there is no alteration of rights, privileges or restrictions attaching to the Shares;
- (iii) no variation is made to the terms and conditions of employment or contract for services and/or appointment of, and no payment, compensation or consideration is provided as a direct or indirect consequence of this Offer having been made to, any director or officer of Oyster Bay or its subsidiaries, if any (and no agreement or arrangement is made with respect to any such matters);
- (iv) no receiver of the property or assets (or any part of the property or assets) of Oyster Bay or its subsidiaries, if any, is appointed and no proceedings are commenced, or resolution passed, for the liquidation of Oyster Bay or its subsidiaries, if any;

- (v) the business of Oyster Bay and its subsidiaries, if any, is carried on in the ordinary course of business and no unusual or abnormal payments or liabilities are or will be made or incurred by Oyster Bay (or any of its subsidiaries), and no material change is made by Oyster Bay or its subsidiaries, if any, to the carrying out of its grape growing business;
- (vi) neither Oyster Bay nor its subsidiaries, if any, sell, lease or otherwise dispose of, or agree to sell, lease or otherwise dispose of, or grant or agree to grant any option, security or equitable interest in respect of a material asset or business, other than in the ordinary course of business.

5.3 The conditions set out in clause 5.2 have been inserted for the sole benefit of Delegat's and may be waived in whole or in part, by Delegat's in its absolute discretion.

5.4 Each of the conditions set out in clauses 5.1 and 5.2 are separate conditions subsequent, and acceptance of the Offer by each Shareholder shall constitute a contract between that Shareholder and Delegat's subject to those conditions. The Offer will only proceed and Shares will only be taken up from Oyster Bay Shareholders if all the conditions in clause 5.1 and clause 5.2 are satisfied or are waived.

5.5 Where any condition requires a preliminary determination before it can be said that a matter is material, is normal or not, is adverse or not or is in the ordinary course of business or not, such preliminary determination must be made by a suitably qualified expert appointed by Delegat's but who is not an associate of Delegat's prior to Delegat's being permitted to invoke the condition.

6. Notices

6.1 Notice to Oyster Bay and the Takeovers Panel:

- (a) declaring the Offer unconditional; or
- (b) advising that this Offer is withdrawn in accordance with the Takeovers Code or has lapsed in accordance with its terms,

in each case, will be deemed to be notice to all Shareholders and will be deemed to be given on the day of notification to Oyster Bay.

6.2 Notice of any variation to the Offer will be sent to each Shareholder, Oyster Bay and the Takeovers Panel in accordance with the Takeovers Code unless (and to the extent that) such notice is not required to be given by the Takeovers Code.

TERMS AND CONDITIONS OF THE OFFER

7. Settlement

7.1 If you accept this Offer and;

- (a) this Offer is declared unconditional by Delegat's; and
- (b) the Acceptance Form is in order (or in Delegat's discretion, is treated as valid or is rectified in accordance with clause 4.4),

then your Shares will be transferred to Delegat's and the consideration due to you will be satisfied in the manner specified in clause 2.3.

7.2 By completing the Acceptance Form and accepting this Offer you will be deemed to:

- (a) represent and warrant to Delegat's that title to each of your Shares (and to all other securities referred to in clauses 8.3 to 8.5 (inclusive)) will be transferred to Delegat's free of all charges, liens, mortgages and encumbrances of any kind, but together with all rights attaching to them, including the right to all dividends and other distributions arriving after or by reference to a date occurring on or after the Settlement Date;
- (b) represent and warrant to Delegat's that you have full power and capacity to sell and transfer all the Shares (and all other securities referred to in clauses 8.3 to 8.5 (inclusive));
- (c) authorise Delegat's to effect any rectification of any Acceptance Form in the manner contemplated in clause 4.4; and
- (d) authorise Delegat's to advise Oyster Bay or its Share registrar of the details of your acceptance of the Offer and to note the Share Register with that acceptance.

7.3 All cheques, Acceptance Forms and other documents to be delivered or sent by or to a Shareholder will be delivered or sent by or to that Shareholder at that Shareholder's own risk.

8. Change of Circumstances

8.1 If on or after the Takeover Notice Date, Oyster Bay pays any dividend or distribution to its shareholders (and the condition contained in clause 5.2(i) is waived by Delegat's) the consideration paid per Share will be reduced by an amount equivalent to such dividend or the value of such distribution per Share.

8.2 If on or after the Takeover Notice Date, Oyster Bay makes any return of capital and cancels Shares (and the conditions contained in clauses 5.2(i) and (ii) are waived by Delegat's) the consideration paid per Share will be adjusted in proportion to such return of capital.

8.3 If on or after the Takeover Notice Date, Oyster Bay makes any issue of shares or other securities to its shareholders or grants any other rights or interests in respect of the Shares by way of a bonus issue (and the conditions contained in clause 5.2(i) and (ii) are waived by Delegat's), the Shareholders accepting this Offer will be bound to transfer to Delegat's without any additional consideration such shares or securities or other rights or interests attributable to the Shares which they have agreed to transfer.

8.4 If all or any of the Shares are subdivided or consolidated on or after the Takeover Notice Date (and the condition contained in clause 5.2(ii) is waived by Delegat's) this Offer shall be deemed to have been made for the shares resulting from such subdivision or consolidation and the consideration per share will be reduced or increased, in proportion to such subdivision or consolidation, and such acceptors shall be bound to transfer such subdivided or consolidated shares to Delegat's on the basis of the consideration increased or reduced.

8.5 If Oyster Bay makes any issue of shares to any person on or after the Takeover Notice Date whether pursuant to any dividend reinvestment plan, share investment scheme or employee share scheme, or otherwise (and the condition contained in clause 5.2(ii) is waived by Delegat's) and clause 8.3 does not apply, this Offer will extend to such of those shares as are not held by Delegat's and the consideration payable for them will be as provided in clause 2 above.

If, as a result of the Offer or otherwise, Delegat's becomes entitled to acquire compulsorily all the Shares, it is intended that those compulsory acquisition rights will be exercised and that Delegat's will seek to delist Oyster Bay from NZAX. Oyster Bay's role as supplier of its annual grape production to Delegat's will not change. Lodgement and Listing

This Prospectus is issued by Delegat's Group, is dated 15 October 2010, and was subsequently amended by a memorandum dated 11 November 2010.

A copy of this Prospectus, signed on behalf of the Directors, has been delivered to the New Zealand Registrar of Companies for registration under section 42 of the Securities Act 1978. A copy of this Prospectus, and the other documentation required to be lodged in compliance with chapter 8 of the Corporations Act 2001 (Cth of Australia) and the Corporations Amendment Regulations 2008 (No.2) (Cth of Australia), will be lodged with the Australian Securities and Investments Commission (ASIC) on or about 18 October 2010.

The New Delegat's Shares have been accepted for listing by NZX and will be quoted upon completion of allotment procedures. However, NZX accepts no responsibility for any statement in this Prospectus. NZX is a registered exchange under the Securities Markets Act 1988.

New Delegat's Shares will be allotted to those Eligible Oyster Bay Shareholders accepting the Takeover Offer and electing to receive New Delegat's Shares as the consideration for the sale of their Oyster Bay Shares into the Takeover Offer. Allotment will be made following the Takeover Offer becoming unconditional and within the period specified in the Takeover Offer. The fact that NZX may approve New Delegat's Shares for quotation is not to be taken in any way as an indication of the merits of the Offer or Delegat's Group.

This Prospectus, the Offer and the contracts formed on acceptance of the Offer are governed by the laws of New Zealand. Each Eligible Oyster Bay Shareholder participating in this Offer submits to the exclusive jurisdiction of the courts of New Zealand.

No Guarantee

No person (including any Director, agent, employee or adviser of Delegat's Group) guarantees the performance of any New Delegat's Shares.

An Overseas Shareholder whose address is outside New Zealand or Australia who elects to receive New Delegat's Shares as consideration for their acceptance of the Takeover Offer, despite the fact that the New Delegat's Shares cannot be allotted to that overseas shareholder, will have the New Delegat's Shares allotted to a nominee in New Zealand, appointed by Delegat's Group, who will sell those New Delegat's Shares and pay the proceeds, net of brokerage, to the Overseas Shareholder. TERMS OF THE OFFER AND THE NEW DELEGAT'S SHARES

Background to this Offer

This Offer is being made by Delegat's Group to all Eligible Oyster Bay Shareholders.

The Offer is being made in conjunction with a Takeover Offer ("Takeover Offer") being made by Delegat's Wine Estate Limited ("DWE"), a wholly owned subsidiary of Delegat's Group, for all of the Oyster Bay Shares that it does not already hold.

In terms of the Takeover Offer, DWE is offering to acquire the Oyster Bay Shares that it doesn't currently hold from Oyster Bay Shareholders. Oyster Bay Shareholders are being offered the opportunity to accept the Takeover Offer from DWE and to accept one of two payment options, namely:

- Oyster Bay Shareholders (provided that they are Eligible Oyster Bay Shareholders) can elect to receive one New Delegat's Share for every one Oyster Bay Share that they agree to sell to DWE under the Takeover Offer; or
- Oyster Bay Shareholders can elect to receive the sum of \$2.08 in cash for each Oyster Bay Share that they agree to sell to DWE under the Takeover Offer.

Under Securities laws in New Zealand and Australia, where an issuer (ie Delegat's Group) proposes to offer shares to members of the public (ie the Oyster Bay Shareholders)

it must do so pursuant to a registered prospectus that complies with the Securities Act 1978 and the Securities Regulations 2009.

This Simplified Disclosure Prospectus satisfies the legal requirements which Delegat's Group must comply with in making its offer to Oyster Bay Shareholders.

The maximum number of New Delegat's Shares that may be issued under this Offer, assuming that all Eligible Oyster Bay Shareholders elected to receive New Delegat's Shares as consideration for the payment for their Oyster Bay Shares under the Takeover Offer is 4,057,184 New Delegat's Shares.

Principal Terms of this Offer

Eligible Oyster Bay Shareholders are being offered the opportunity to acquire New Delegat's Shares in consideration for transferring the Oyster Bay Shares which they hold to DWE in the ratio of one New Delegat's Share for every one Oyster Bay Share acquired, as part of, and in conjunction with the Takeover Offer.

Condition to this Offer

This Offer is conditional upon the Takeover Offer being declared unconditional by DWE in accordance with the terms of the Takeover Offer ("Condition").

TERMS OF THE OFFER AND THE NEW DELEGAT'S SHARES

If the Condition is not satisfied, then this Offer will not proceed and Deleat's Group will not issue any New Deleat's Shares to Eligible Oyster Bay Shareholders.

Payments

The New Deleat's Shares will be issued on a fully paid basis at the Issue Price.

The Issue Price for each New Deleat's Share is \$2.08 per New Deleat's Share.

You are not required to pay the Issue Price for the New Deleat's Shares in cash. The Issue Price for the New Deleat's Shares will be satisfied by you exchanging your Oyster Bay Shares for the New Deleat's Shares pursuant to the Takeover Offer at the ratio detailed above.

No brokerage is payable by you for the issue to you of the New Deleat's Shares.

Terms of Issue of New Deleat's Shares

The New Deleat's Shares will be issued on the same terms as the existing Deleat's Shares already on issue.

Each New Deleat's Share will provide the holder with the right to:

- one vote on a poll at a meeting of shareholders of Deleat's Group;
- an equal participation with all other existing Deleat's Group Shares in any dividend declared after the issue of the New Deleat's Shares;
- an equal participation with all other Deleat's Group Shares in the residual assets on a liquidation of Deleat's Group;
- be sent reports, notices of meetings and other information sent to Deleat's Group's shareholders; and
- any other rights as a Deleat's Group shareholder conferred by Deleat's Group's Constitution and the Companies Act 1993.

Issue of New Deleat's Shares

On satisfaction of the Condition, the New Deleat's Shares will be issued to Eligible Oyster Bay Shareholders who accept this Offer.

The New Deleat's Shares will be issued on a fully paid basis, at the Issue Price, and otherwise on the terms and conditions outlined in this Prospectus.

The allotment of New Deleat's Shares is expected to occur on that date being not later than 7 days after the date on which the Takeover Offer is declared unconditional.

Overseas Shareholders

This Offer is not made to those Oyster Bay Shareholders whose addresses are outside New Zealand or Australia ("Overseas Shareholders").

An Overseas Shareholder who elects to receive New Deleat's Shares as consideration for their acceptance of the Takeover Offer will have the New Deleat's Shares allotted to a nominee in New Zealand, appointed by Deleat's, who will sell those Deleat's Shares on the NZSX market at the prevailing market price at the time of the sale, and pay the proceeds, net of brokerage, to the Overseas Shareholder within seven days of the date on which the Takeover Offer is declared unconditional. Interest will not accrue on the proceeds of the sale of the New Deleat's Shares sold in accordance with this mechanism.

- accept the Takeover Offer made by DWE;
- select the Payment Option entitled "Option 1 – Deleat's Group Limited (DGL) Shares" on the Acceptance Form;

No New Delegat's Shares have been reserved for any class of applicant other than Oyster Bay Shareholders.

Oversubscriptions

Oyster Bay Shareholders may not seek to receive more New Delegat's Shares than that which they are entitled under the Takeover Offer.

Dividend Policy

The decision as to whether Delegat's Group will pay a dividend or not will be subject to a number of considerations including the general business environment, the operating and financial results of Delegat's Group, capital requirements and any other factors the Board may consider relevant. In determining whether to pay dividends, the Board must have regard to the solvency, profitability and liquidity of the Group and capital expenditure and/or other alternative applications of funds available to it. The Board reserves the right to vary the dividend policy of Delegat's Group at any time having regard to the then current circumstances of Delegat's Group. Dividends are declared at the discretion of the Board. Dividends are not payable on fixed dates.

Other Terms of Offer and Securities

All other terms of this Offer, and all the terms of the New Delegat's Shares being offered, are set out in this Prospectus, except for those implied by law or set out in a document that is registered with a public official and is available for public inspection and is referred to in this Prospectus.

RELATIONSHIP WITH LISTED SECURITIES

New Delegat's Shares same as existing Delegat's Shares

Each New Delegat's Share to be issued under this Offer will be of the same class and have the same rights as the existing ordinary fully paid shares of Delegat's Group which are currently issued and listed on the NZSX.

Description of existing Delegat's Shares

The existing Delegat's Group Shares confer upon the holder the right to:

- one vote on a poll at a meeting of shareholders of Delegat's Group;
- an equal participation with all other existing Delegat's Shares in any dividend declared after the issue of the New Delegat's Shares;
- an equal participation with all other Delegat's Shares in the residual assets on a liquidation of Delegat's Group;
- be sent reports, notices of meetings and other information sent to Delegat's Group shareholders; and
- any other rights as a Delegat's Group shareholder conferred by Delegat's Group constitution and the Companies Act 1993.

Existing Delegat's Shares

The existing Delegat's Shares are currently listed on the NZSX market operated by NZX Limited.

Relationship between Issue Price and Market Price

The effective issue price for the New Delegat's Shares is \$2.08 per New Delegat's Share.

The closing sale price for the Delegat's Shares on the NZSX on 14 October 2010 was \$1.61. The volume weighted average price for the Delegat's Shares for the ten trading days prior to the date of this Offer Document was \$1.64.

The market price of the existing Delegat's Shares may change between the date of this Prospectus and the date when the New Delegat's Shares are allotted. In the event that the market price of the existing Delegat's Shares changes during the term of this Offer, the Issue Price for the New Delegat's Shares and the consideration to be satisfied by Oyster Bay Shareholders to acquire the New Delegat's Shares will not change. However, the ultimate price that an Oyster Bay Shareholder may realise for the sale of a New Delegat's Share may change as a consequence of such a change in market price.
