Delegat's Group Limited (DGL)

Simplified Disclosure Prospectus in respect of the prospective full takeover offer for Oyster Bay Marlborough Vineyards Limited to be undertaken by Delegat's Wine Estate Limited

DGL advises that the copy of the Simplified Disclosure Prospectus released on the NZX Market Announcement Platform yesterday contained a minor typographical error.

The reference to "\$1.80" on the last line of page 7 should have been "4,057,184", which accords with the content of the Simplified Disclosure Prospectus registered with the Registrar of Companies.
